

A Homeless Outreach Program

By Tasoni Demiana

❖ Write a brief concept paper about what how to start a Homeless outreach program:

- Distribute it to hotels and restaurants, and others
- Find someone who will donate a small size truck.
- Create a schedule for pickup of the food/blankets which the hotels and restaurants wish to donate everyday.
- write to companies to ask for blanket donation OR HAVE A DONATION STATION FOR blankets and coats.
- I think in NJ AND NYC you should contact the city board for permission.
- Create a work schedule for volunteers....distribute it to your church, and Youth organizations.
- Create flyers in Spanish, English and L.O.T.E with the information.
- Distribute flyers within an area of the city you wish to tackle.
- Station your truck on different corners at different hours and distribute the blankets and food.
- Create a name and apply for a 501C3.
- Now after having bitten the dust you can apply for foundation grants.

- AFTER YOU HAVE STARTED AND CREATED A MAP OF WHAT YOU ARE DOING WELL AS SHOWN INTERAGENCY PARTNERSHIPS, WILL YOUR PROGRAM SHOW PROMISE TO FOUNDATIONS.
- Keep all financial records....even if to you it seems like nickels and dimes.
- THE BUDGET is the KEY to a successful grantmanship.

Another way of being His salt and light.

GOD BLESS YOU
