

No eye has seen another God like You
 Who opens the jails and shatters the chains (repeat)
 Who parts the sea, and behold gives the power
 No mountains or barriers stand in His way
No eye has seen, another god like You
 Who else but You, do appear in our pains
 Or rescue our souls, from the lions den (repeat)
 Who lights the way, when the darkness comes,
 With a blaze that appears in a pillar of smoke

Who else but you, went to Calvary
 Who else paid my debts, carried my iniquities (repeat)
 That you promised me you're coming very soon
 To take me to heaven for eternity.

Only You can shake the mountains +++++
 Only You can calm the ocean
 Only You can hold the heavens
 in the palm of your hands.

Tell me who can look inside me
 Tell me who can purify me
 Tell me who can love me deeply
 More than I understand; Only You.

With a word You spoke the heavens into place
 Scattered stars and gave the earth its shape,
 Who are we that You should touch us with Your grace
 Who am I, Oh God, that You should know my name

+++++
 How could I forget, the One who died for me
 How could I forget His side that had to bleed
 He who saw me in my misery so He came running to meet me
 He who bought me and redeemed me broke my chains and set me free
 How could I forget your kindness through the years
 Your right hand always reaching out to me
 In my joys and in my sorrows, in all of lives storms
 Help me Lord I want to lose myself in you
 All my pride has blinded me from seeing you.
 So I'll keep watching and praying setting my eyes on You
 Trusting in your sure promises that you will be there for me soon
 You've become my friend and fortress, You are the One to whom I call

Take me past the outer courts
 Into the holy place,
 Past the brazen altar,
 Lord I want to see Your face.
 Pass me by the crowds of people,
 The priests who sing Your praise,
 I hunger and thirst for Your
 righteousness
 and it's only found one place,

So take me in to the Holy of Holies,
 Take me in by the blood of the Lamb.
 Take me in to the Holy of Holies,
 Take the coal, cleanse my lips, here I
 am

More love, more power,
 more of you in my life
 (2x)

And I will worship you
 with all my mind

And I will worship you
 with all my heart

And I will worship you
 with all my strength

For you are my Lord, you
 are my Lord.

As We gather
 may Your Spirit work within us.
 As we gather may we glorify Your Name.
 Knowing well that as our
 Hearts begin to worship.
 We'll be blessed because we came.
 We'll be blessed because we came.

As We gather
 may Your Spirit work within us.
 As we gather may we glorify Your Name.
 Knowing well that as our
 Hearts begin to worship.
 We'll be blessed because we came.
 We'll be blessed because we came.

My fathers the monks of the desert
I wish to live a life like yours (2)
Life of prayer, vigils and tears (2)
You offer to our Savior
My fathers, my fathers

Father of the monks Abba Antonius
His disciple Abba Macarius (2)
Left everything of worth and value
To serve their faithful Savior (2)

Barbarians
No one was afraid or denied his faith
(2)
They said our Lord is Jesus Christ
For whom our lives we'd sacrifice (2)
My fathers, my fathers

I am a youth struggling in the way

Please pray for me, St. Anthony (x2)
That Christ my abide in me fully
My fathers, My fathers

Dear precious Jesus,
 On a very high mountain,
 Retreat with me,
 And hear my prayer.

O my Lord Jesus,
 Your love has freed me;
 I praise You with my heart,
 Honoring your glory.
 My heart was lifted,
 Towards His Holy Place,
 How I long to be there,
 To witness His radiant face.

Jesus, the King of Peace,
 On His throne He reigns,
 His garments white as snow,
 His eyes like a flame.
 I fell at His feet,
 In fear and reverence,
 My heart was overwhelmed,
 By His glorious presence.

He came to me and laid,
 His pure hands on me,
 I looked at Him and asked,
 "My Lord, how could this be?"
 "I am weak and sinful,
 Have mercy upon me,
 I have gone astray,
 By my iniquity."

He smiled and gently spoke,
 "My child don't be afraid,
 I am the Lord your God,
 Your debts I have paid.
 In weakness you came to Me,
 Seeking to repent and live,
 I'll always love you,
 Your sins I shall forgive."

1. My Coptic Church. The church of the Lord

Ancient and Strong, I wish her long life
 In the early years, After the birth of Christ
 St. Mark came bearing, The light of the true faith
 He dwelt in the land, proclaiming salvation
 In the name of our Redeemer, Christ who removed
 our sins

2. The Copts then believed, in the Lord Jesus
 And Joy filled all the cities of Egypt
 In a very very short time, He abolished all idols
 The cross was exalted, the sign of the faith
 Satan quickly rose, to war the Son of God
 He stirred the rulers, emperors and armies

3. He then declared war, on the sons of the faith
 Deny your Christ, or be thrown in the fire
 Our honored fathers, elders and youngsters
 Were not moved by pain, distress nor dishonor
 But said courageously, forward no turning back
 We don't fear fire, Our Lord is Jesus Christ

4. They were beaten and imprisoned, they lived in oppression
 They were burned and killed, and tasted every pain
 By the power of their faith, they overcame their pains
 And remained believing in, the King of Peace
 With blood and suffering, they bought the faith
 And preserved it for us, in the name of Our Savior

5. Let us all rise, from our laziness
 With diligence seeking, the heavenly rewards
 The Church of the Fathers, you are our pride
 To her success, let us all join together
 My Coptic Church, her faith is orthodox
 Forever strong, Egypt is Christ's

refrain: No one is like You o Jesus my savior
 I love you o my Lord and no other with You
 (2)

I call and you hear me
 to safety you steer me
 And with your touch You heal me
 o how I long to be with you

You wiped all my tears o Lord
 and all my pains are no more
 my spirit and my soul
 are living to praise you

Every time I think I find
 Your name always on my mind
 all my worries are behind
 when I'm thinking of you
